BACKPACK 17R-112

The double backpack represents, among many other functionalities, one special feature. It has two backpacks in one. It can be worn together as one backpack, or separately as one small backpack and one large backpack. Other features are the heavily padded back on the large backpack, and the lightly padded back on the small front backpack. The front pocket contains the organizer for smaller accessories and detachable key chain. The straps have reflective line for better visibility at night.

Power Back

Side holder

BACKPACK 17R-113

The backpack with best support and adaptivity to the back features the back, that is padded with the padded extension for support on the loins. The straps are adjustable to the height of the child (from XS to XL). The system is specially appropriate not to have destructive effect on the spine, even when the backpack is very heavy. The middle pocket contains the tablet sleeve, the front pocket has organizer for small accessories. The backpack is equipped with more reflective parts for best visibility at night. The bottom is lifted with rubber buttons, to keep the backpack clean and dry.

Trolley 17R-202

The Rucksack backpack on the wheels is one of the premium backpacks in Rucksack family. It offers the organisation and functionalities in interior as other technical backpacks, but it features also strong wheels and a handle from best materials. When you transform the backpack to the trolley, you can hide and remove the straps perfectly, and when you carry it on the shoulders you can protect the wheels so you will never be dirty from them or damage your clothes. It is perfect for kids with many items to carry to school, to make their way as easy as possible.

Warranty

Any Rucksack Only® product is covered by the below described guarantees unless otherwise indicated on the warranty hangtag. The Guarantees apply when the product is used under normal conditions, for the purpose intended. The guarantee is valid for one (1) year after the purchase and it includes the items that have the defects of the material and workmanship. The warranty does not cover the damage or/and defect resulting from typical wear and tear (like faulty zipper tape, damaged buckles, coating peeling off, holes in the fabric,...). Available remedies: We will repair the item falling under the terms of the Rucksack ONLY Warranty. If the damage cannot be repaired, we will replace the item or offer you the similar product of comparable value.
